SENIOR HIGH SCHOOL
EAST HALL

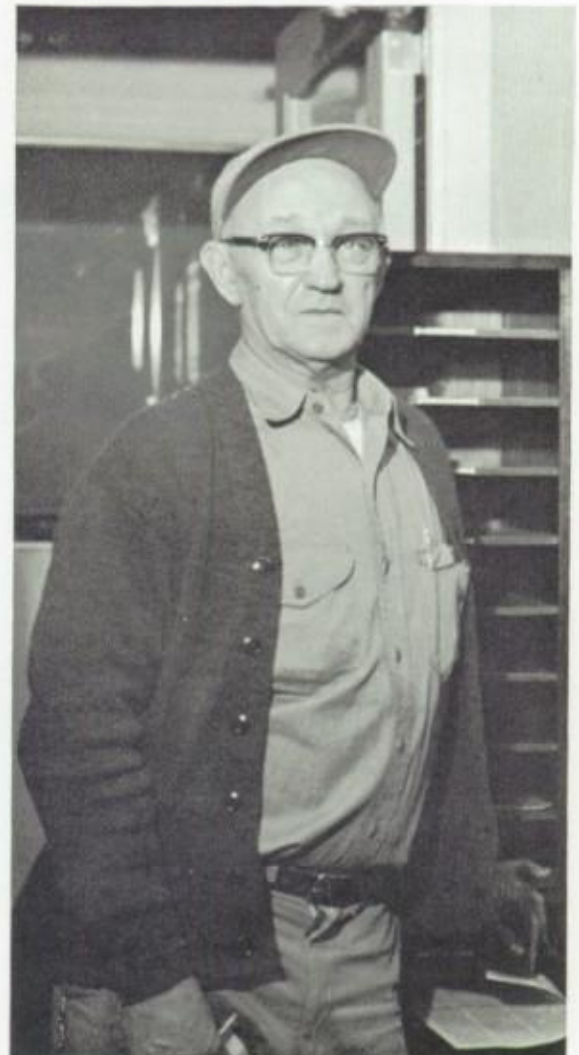

We Dedicate the 1963 SAGA to

Walter Krohn

For more than 22 years Mr. W. M. Krohn has been serving the Normandy School District. He began his work at Jefferson school and was later transferred to senior high, where he has been head of the Maintenance Department since 1950.

With the addition of each new building his responsibility grew. His work has been invaluable to the appearance and efficiency of our school. This will be the final opportunity for the students of Normandy to express their gratitude to Mr. Krohn for his many years of service. His well deserved retirement will be a great loss to all of Normandy High School.

administration

The Administrators at Normandy, devoting many hours to their jobs, have made it one of the most efficient school systems in the area. The Board of Education, an integral part of the administration, is directly responsible for many activities and benefits in the schools. With Mr. Barnes heading the entire district and Mr. Potter the Senior High, student opportunities are exceptional at Normandy. The work of the administration is greatly appreciated and respected.

guidance

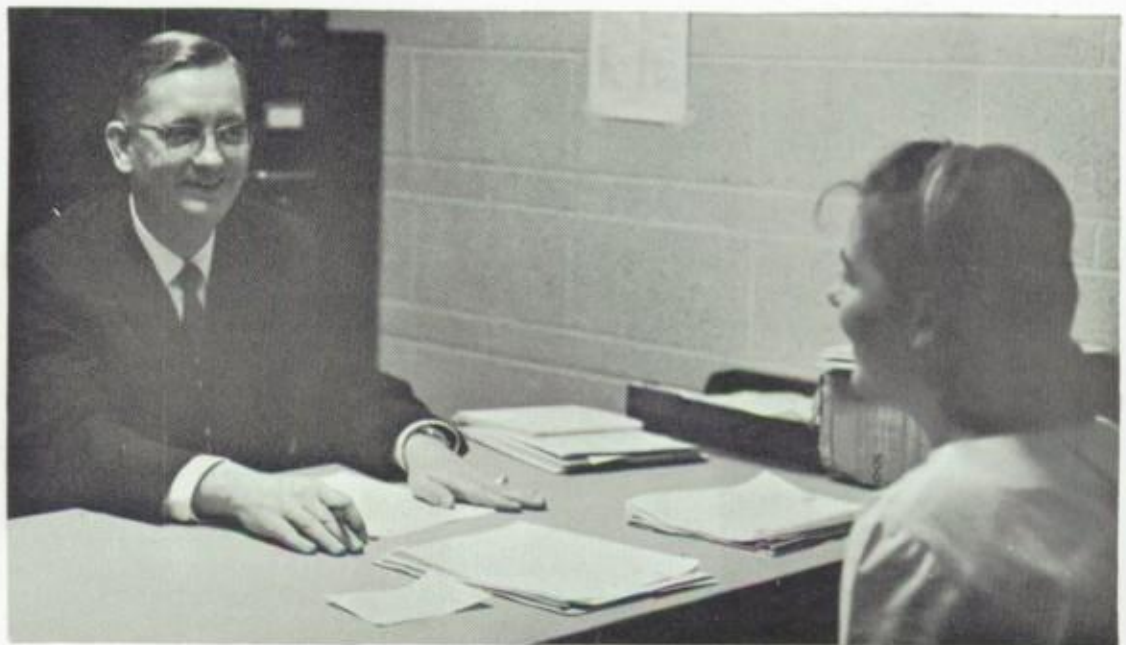

Mr. Morris Blitz
Guidance Director

Mr. John Torres
Assistant Guidance Director

Essential to the operation of Normandy Schools is the work of the guidance department. Mr. Blitz, guidance director of the Normandy School District, heads this program of work done in the elementary, junior and senior high schools. He and his staff administer achievement and intelligence tests which are used to plan the students scholastic program in view of interest, aptitude and achievement.

Mr. Blitz is aided at Senior High by Mr. John Torres, Assistant Guidance Director, and also eleven counselors. This year for the first time I. B. M. was used to program class schedules and record grades. By eliminating these time consuming jobs the guidance officers have more time for personal consultations with students and parents. Mr. Torres and counselors must supervise tests given students through the four years at Normandy. In the senior year counselors advise and help students toward college admission and scholarships. The guidance office has worked hard on their scholarship program and as a result an average of 40 scholarships are awarded each year. Job placements are also made for those students not going to college. This office deserves our admiration for their service to Normandy. Their difficult job is handled well and efficiently.

The 1962 varsity football season proved to be a long one for the Vikings. As the defending champs of the Suburban Big 8, the Vikes had plenty of rebuilding to do. Led by captains Jim Veech and Rich Runion the team worked strenuously through the warm summer months getting in shape for the coming season.

Opening night on the Viking Field the squad lost 13-0 to a strong fired-up team from McBride.

A week later the Vikings flashed by Mercy's Bulldogs 19-0. The first tally of the season was made by John Schroll who took a pass from Dave Potts for 35 yards and a T.D. In the third quarter halfback Bill Gassaway scored on a one yard plunge. In the final period John Shafer swept around end from the 6 yard line and Jim Velten kicked the PAT.

The next two weeks the Vikings had too much of two stars, Ferguson's Rich Bernson and Webster's Bill Southworth. Ferguson won 37-7 and Webster won 33-7.

The final game was a real thriller in which the Pioneers of Kirkwood won in the final seconds 10-0.

The final record was an unimpressive 2-6-1. Jim Veech and Mike Kremer got honorable mention on the all-league team.

A week later the Vikings fought hard against the Riverview Rams only to end up in a 14-14 tie.

Back home against U City, the Indians proved to be too much as the score ended 13-0.

The next weekend would be a big one for Normandy because of the long awaited Homecoming game against the Rams of Ladue. After both teams played to a scoreless first half, the Vikings eleven took over. In the third quarter, after picking up a fumble in Ladue territory, Jim Veech went off tackle for 40 yards and a touchdown. Jim Velten missed the conversion. In the fourth quarter Normandy moved to the Ladue 17, where Jim Velten booted a 27 yard field goal to end the game 9-0.

The following Friday was a heartbreaker for the Normandy fans as the Vikings not only lost the game to Ritenour, but the Wagon Wheel as well. Led by speedy halfback Ray Thorpe, the Huskies simply overpowered the Vikings with a stunning victory.

Considering the fact that the Varsity had taken five of the sophomore starters, the B-team season was relatively successful. There were a few bright spots. Halfback Don Gianola and scrappy little fullback Danny Horrell showed much skill and determination which should be a big help to Coach Winter and the Varsity squad next season. The B-team was under the guidance of Coach Volkmer and Coach James.

Even though this year's C-team lacked size, they made up for it with sheer determination and ability to move the ball. Under the new leadership of Coach Meyer and Coach Vossen, the team came up with new plays which led to a very profitable season.

Coach Buss, working with a young team this year compiled a fine record and showed promise of having a strong and experienced team in the future. With only 4 lettermen returning, the distance men put together a commendable 4-3 record in tri and dual meets. In the Ladue Invationals, Normandy placed fifth out of a field of nine by chalking up a score of 165. On October 12, the Bussmen totaled 375 points and captured 13th place out of 35 schools in the Beaumont Invitational. Normandy entered the State meet at Forest Park on October 27. Competing against all the top runners in the state, our Vikings took 14th place from a competitive field of nineteen, bringing the 62-63 season, creditably, to a close.

Coach Frank Kirby guided the Vikings to their most successful season since Normandy was the State Class A Champion in 1951. The Cagers compiled a very impressive record of 27 victories while failing in only three contests.

The hoopsters were led by captain, all-district star, Bill Owens who tallied a total of 593 points and grabbed more rebounds than any other Viking. The scoring punch was aided greatly by the

fine shooting of Keith Spoeneman who totaled just under 500 points and formed with Owens the highest scoring forward combination in the district. Guard Ken Pemberton kept the fastbreak attack going with his fine passing and shooting. Ken averaged 13 points per game. Both Keith and Ken received Honorable Mention on the all-district teams. Dick Aaron, another guard, helped to keep the fast break going, while doing outstanding defensive work. Big Steve Ross pulled down more rebounds per game than Owens, but due to a mid-season injury finished second in total rebounds. Steve also scored over 200 points.

The basketballers were looking forward to a fine year, and even though they failed to take the biggest goal, the state championship, the team did more than well. Normandy won its

first championship in the Red Division of the Christmas Tournament, the league tournament at Webster Groves, the Regional Tournament at Berkeley, and ranked high on the area prep poll.

The Vikes started the season by running over highly touted Pattonville by the score of 59-41. Normandy went on to win six more games, including victories over two league opponents U. City and Ladue. The Vikings were then seeded second in the Christmas Tourney. The Vikings were even tougher than predicted and won four games of which there was none closer than twelve points. The next Viking outing was the first loss of the season. Kirkwood surprised the Vikes 75-69. After beating McCluer, the Kirbymen were upset at Wellston. They then went on a fifteen game rampage which took them to the second round of the State Class L Tournament at Kansas City. Normandy finished second in the Suburban Big 10, losing only one in the tough conference.

As a team some of the Viking statistics were; they hit 45 per cent of their field goal attempts, they had a 67 free throw percentage. Also, the Vikings averaged over 68 points per game and allowed only 54 points a contest. This team will be long remembered for their excellent record.

Row 1- Brittain, Barlow, Bizer, Fickel, Koenig, Clinkingbeard, Schmidt; Row 2- Lee, Coble, Grass, Holmes, Coach Masterson, Heinicke, Kilker, Bradley, Peters

The Vikings "B" Team was led by Bob Coble and Buddy Lee. Their 5-14 record can be partially attributed to the fact that Coach Masterson only worked with them one hour each afternoon due to the lengthened varsity workouts in the Big Gym. The team started to click at the end of the season, and with their good size and fine shooting ability the team should be a big help to Coach Kirby and the varsity squad next year.

The "C" Team, meeting as a unit for the first time this year, learned to cope with a lack of experience. By mid-season Coach Vossen had the boys playing as a closely knit team and led them on to a 3 and 7 overall record. The three games they won were against Berkely, Ferguson and Pattonville.

Grapplers Make Fine Showing

The Wrestling team under the new leadership of Coach Grubbs had a fine season. Led by Captains Jim Vajda and Alan Yedor, the team won seven meets and lost nine, they also took a first at the Hazelwood Quad; fourth at the Riverview Quad, and second in the Granite City; Freshman-Sophomore Tournament. In post season action the team took fourth at the State District Meet and seventh in the State Tournament.

The team started to roll midway in the season. After taking fourth in Riverview Quad, the team went on to win their next five meets in a row. Andy Bedrosian, after taking second in the District meet, had to forfeit the rest of his matches at State, because he tore a ligament in his leg. Co-captain Yedor's second place was the only showing in State by the Vikings.

Vikings Smash School Records

The Aquamen, under the direction of Coach Del Gaudio, posted a fine record and smashed numerous school records. Winning 7 out of 12 duel and triangular meets, the Vikes also tied for 11th in the U. City Relays, and placed 16th in a field of 34 in state competition. Co-Captain **Ken Krueger** placed 5th in the backstroke event at state.

Coach Del Gaudio feels the team has fine prospects for next year with a nucleus of 11 returning lettermen and a total of 17 experienced squad members.

Normandy should be proud of its '62-'63 swimming team, for the fine effort displayed by each team member. Special recognition should be given to Bob Iverson, Andre Mossotti, and Phylas Sandison. All three of these boys **bettered the records** of their individual events during the course of the season. Notice should also be given to the members of the Medley Relay team composed of Ken Krueger, Bob Iverson, Gene King, and Andre Mossotti, who broke the record in their event.

In the spring of 1962, the outlook for the baseball team was far from good. The Vikings had a losing record and their bats had made no noise. However, the diamondmen fared quite well, especially in the State Tournament. Coach Winter's squad seemed to win only the Tourney games. The pitching was superb in the District and State Meets where Co-Captain Bob Freund, Ken Pemberton, and Bill Murray allowed only one run per game through the second round of the State Meet. The Vikings semi-final loss came at the hands of the State Champs, Cape Girardeau, 10-4, at Bush Stadium. The league record was 2-7, the overall mark was 10-12.

The outlook for the 1963 squad is much brighter. The loss of only

seven seniors, and the return of thirteen players from last year's team and one from the 1961 squad, makes the Vikes a notable contender for the league crown. When Saga went to press, the Normandy Nine had a 4-4 record. The strong points in the Viking performance were from the mound corps. Murray, John Wood, Pemberton, Rick Bradley, and Buddy Lee had all done successful jobs. Co-captains for this year were hard-hitting rightfielder Dave Smith and slick-gloved shortstop Skip Baebler.

All three were members of last year's team, which placed fourth in the State Tournament.

hockey

The 1962 Varsity hockey season began successfully with the Normandy eleven shutting out Ferguson 5-0. Captain and center-forward Sue Roberts lead in the scoring. The second home game with Jennings ended in a scoreless tie. In the last home game with U. City, Sue Roberts scored both goals, shutting out the opponents. After a quick goal, the Principia game developed into a swift grinding pace. During the early moments of the second half Principia scored on a corner, leading Normandy 2-0. Sue Roberts broke through a tight defence to narrow the gap to 2-1, the final score. Normandy finished the season just as it started with a 5-0 shut out. On the Riverview field, Carolyn Seefeldt, Sue Roberts, and Pam Query contributed one goal a piece, and Sandy McBrearty scored twice.

In the first game against Wellston, Normandy came from behind to win 25 to 11. Sophomore Evelyn Jackson led the scoring with 12 points. Against traditional rival Ritenour, diversified scoring resulted in a 51-30 victory. The other half of Normandy's scoring punch, sophomore Chris Ahrens, led with 16 points; Evelyn had 12, senior Sharon Foard added 10, and senior Sue Roberts contributed 8. In a hard-fought contest against U. City, Ahrens and Jackson scored a phenomenal 20 points apiece. Normandy had a tougher time against Jennings, winning 32 to 23. Ahrens was high-point with 16; fouling out in the first half, Jackson contributed only 8. In the final game at McCluer, Normandy tasted its only defeat. Ahrens made 9 free throws and in the second half Huber added 4 baskets; but Normandy's defense, despite Thies' and Ahrens' efforts, could not hold back McCluer's hot shots. The final score was 28-45, ending the season with a 4-1 record.

The climax at the close of the school year was colored with Normandy's annual yearbook, the Saga, preserving within it's pages, highlights and memories of the past year.

Saga also sponsored the May Fete, where the Saga queen and king with attendants, presided over a colorful presentation by the Orchesis.

Special mention is deserved by Saga's faithful vari-typists. Pat Dwyer and Margo Quinn, social co-ordinators Barb Henning and Carol Green, and photographers Mike Mikulin and Ron Kovach. The success of this Saga was due to the leadership of sponsor Mr. Sanders and many of the staff's harder working members.

The students are chosen on an accumulated number of points acquired from selling ads, decorating for dances, and working extra time in addition to fulfilling the required work. Potential members must also be in the upper third of their class.

The big event for Quill and Scroll was the annual banquet where new members were formally inducted and given membership cards and pins. The banquet was Thursday, April 18, at Cheshire Inn.

foreign exchange club

The Foreign Exchange Club has increased in size as well as importance in the past few years. One problem that confronted the club was money to sponsor a foreign student. To help raise the money, stocks were sold in the homerooms. Students that purchased the stocks had the satisfaction of helping to bring a student to Normandy.

This year the exchange student was Meral Tuncay of Turkey. She had many interesting things to tell Normandy students about her country. An assembly was presented for the student body with foreign students from four area schools.

Homecoming Festivities '62

The success of the first Normandy Homecoming in four years was not dampened by the weather. Excitement began early Saturday morning with a colorful parade of floats. Becky McLaughlin, during the half-time ceremonies of the mid-day football game, was chosen to reign over the Homecoming activities. Climaxing the unforgettable week-end was a dance given by Saga. All those who took part in the extravaganza will remember it as an important and thrilling part of their '62-'63 year.

John
 If it hadn't been for
 you I would have been
 a "grump" during the
 all the time. I hope
 years ahead will prove
 wonderful for you. To a
 really smilin' character -

John,
 Best wishes to one of
 the sweetest guys I know
 too bad things didn't
 work out with Jackie the
 way you wanted them
 too. I hope everything
 else does for you
 though.
 Yours a Nut,
 John,
 I love you,
 R.M.A.
 Mary Ann

To a really wild guy
 I guess I should write
 something about you being
 a real swinging, sweet,
 and cute guy but heck you
 already know it!!
 Lots of love
